The financial condition of the GT Bd is not satisfactory. They have to cut down recurring expenditure as much as possible. They have been asked to do this in this office letter no. 1372 dt 26-8-30. The budget of the Bd, has not yet been received. So it is not possible to see whether its financial position admits of the above charges being incurred. The receipt of the budget Estimate of the Bd for the current year may perhaps be awaited.
